Denis,

Can you provide the county each EQT wells in KY? These are from the list of Subpart OOOO wells that you gave me as potential sources for inspection in FY20. When discussing the wells with KY, it'd be helpful to have the county. The information you provided has the lat long. Can you also send me the API #s electronically so that I can copy them into the write-up?

In addition, I have a couple of questions for you regarding Westlake so maybe we can discuss Monday.

Regards,
